

GUARANTEE

All COSTER T.E. products are guaranteed for a period **off three years following the year of manufacture.**

In this period COSTER T.E. guarantees to **replace or repair free of charge** the defective goods, provided:

- the goods to be repaired or replaced can be recognised as COSTER T.E. products by means of their appearance or legible labels.
- the goods are still under guarantee: on all products are shown the year and the week at which they left the factory.
- the product to be repaired or replaced is accompanied by the appropriate COSTER T.E. paperwork, compiled according to the instructions shown on the form itself.

Any replacement of the product shall be by a new product identical to the defective one: the official COSTER T.E. product code, always shown on the product, shall determine the identity of the article.

The guarantee does **not** cover the costs of sending the goods to and from the repair workshops. Furthermore, it does **not** cover any kind of outside assistance; any work carried out at the purchaser's premises shall be debited to the purchaser in accordance with the type and amount established by COSTER T.E.'s official price list applicable in that moment.
